

State Representative  
**TOM JONES**  
98<sup>th</sup> LEGISLATIVE DISTRICT

Winter 2025

## ***Ready For The New Session***

The new 2025-26 Legislative session kicked off with the swearing-in ceremony on Jan. 7. I was blessed to have my wife, Rochelle, and my entire team with me as I took the oath of office to start my second term as your state representative.

I am thankful for the trust that has been placed in me to be your voice in Harrisburg. This is a job I will never take lightly. I will always do my best to make sure the interests of our district are heard loud and clear.

As we start the new session, House Republicans are in a one-seat minority. The Senate remains in a Republican majority, which gives us a divided Legislature. Some may see that as a roadblock to getting work done. I do not. We have found areas in which we can work together on matters of importance to Pennsylvanians, and I believe we can do so again. There are areas which I stand firm on, such as protecting an unborn child's right to life, defending your right to bear arms in defending yourself and your family, and lowering the tax burden on Pennsylvanians.

I look forward to serving you and our community these next two years.

## **New Year, Coffee and Conversations**

My popular monthly Coffee and Conversations events are back in 2025. Coffee and Conversations are held from 9-10 a.m. on the second Thursday of the month at my district office at 222 S. Market St. in Elizabethtown. **The next Coffee and Conversations will be held Thursday, Feb. 13**, followed by events on March 13, April 10 and May 8. At each Coffee and Conversations we will have an interesting topic or special guest with plenty of opportunity to ask questions.

## **Events Throughout the Community**

I thoroughly enjoy hosting and attending events throughout the district. Below are a few snapshots of some great events that I hosted or attended in recent months.

Jennifer Bonifanti and the Homeschool Co-Op from the Campbelltown/Lebanon area recently visited Harrisburg. It's always a pleasure meeting with students and I thoroughly enjoy touring our beautiful Capitol together.

It's not every day you get to celebrate several 100-year birthdays at the same party. I had a great time at Masonic Village with the centenarians who reached their 100<sup>th</sup> and greater birthdays.

In September, I hosted a 55 & Up Expo at Hope Community Church in Mount Joy. The vendors, organizations, state agencies and businesses, along with residents attending, made the event a big success.
